

**GREAT BASIN LANDSCAPE CONSERVATION COOPERATIVE
STEERING COMMITTEE**

Executive Summary

Steering Committee Meeting Review

The Steering Committee received updates and discussed four key topics:

- Five year Strategic Plan updates based on feedback. Steering Committee reviewed the Plan and addressed key questions on the mission, goals, objectives and actions. Responses will go to the working group for analysis.
- 2016 Request for Proposal focal topics. The Committee conceptually approved these topics.
- Great Basin LCC's support of new projects including the Western Weed Summit, NW Basin & Range Landscape Conservation project and Secretarial Order 3336 on Rangeland Fire Prevention, Management and Restoration.
- 2016 Great Basin Consortium / Sagebrush Restoration Conference February 23 – 26, 2016 in Salt Lake City, Utah.
 - In-person Steering Committee meeting February 22, 2016 in Salt Lake, Utah.

Steering Committee Business Action Items

The Steering Committee agreed:

- To nominate Heather Ray as vice chair of the Steering Committee, pending approval of Heather's organization.
- To transition the Executive Committee seats at the February in-person meeting. Bob Unnasch becomes the past chair, Maureen McCarthy becomes the current chair, and Heather Ray becomes the vice chair.
- To accept the Inter Tribal Council of Nevada's application to become a Steering Committee organization representing tribes. Bill Campbell will join the Steering Committee in February.
