

# Great Basin

## LANDSCAPE CONSERVATION COOPERATIVE

# Northwest Basin & Range Ecosystem Symposium

Promoting collaborative and inclusive landscape scale conservation in a changing environment.

## February 15-16, 2017 at the Lakeview Interagency Office & Elks Lodge

The Northwest Basin and Range Synthesis invites locals, scientists, managers, and the public to gather in Lakeview, Oregon for the 2017 Northwest Basin and Range Ecosystem Symposium. The event will include “state of the knowledge” presentations, and discussions on topics chosen by the NWBR Synthesis’s Steering Committee. On the first evening of the Symposium there will be a poster session, a series of brief presentations, and a keynote.

 **Register now:**

## Symposium Agenda

**Panel #1:** Wildlife Habitat Connectivity in the NW Basin and Range (Panelists: Phillip Street, UNR, Gail Collins, USFWS, Dr. John Tull, NDOW, and James Strittholt, CBI)

**Panel #2:** State of the Knowledge Around Changing Patterns of Water Availability on the Landscape (Panelists: Dr. Jason Dunham, USGS, Dr. Hank Johnson, USGS, Justin Ferrell, Lake County SWCD, Nicole Sullivan, TU, and others TBA)

**Discussion:** Challenges and Opportunities of Natural Resource Management at the Landscape Scale

**Panel #3:** Sage-Steppe Habitat Management (Panelists: Dr. Chad Boyd, OSU-ARS, Jeremy Austin, ONDA, John Owens, BLM, Travis Miller, BLM, and others TBA)

**Panel #4:** Juniper, Weeds and Seeds: Terrestrial Habitat Restoration in the NW Basin and Range (Panelists: Dr. Kirk Davies, OSU-ARS, Grace Haskins, Lakeview BLM, Lindsay Davies, Burns BLM, and Jon Bates, OSU)

**Ignite Session:** A series of brief presentations about regional scientific research, findings from projects, regional collaborations and initiatives

**Poster Session:** Abstract submissions due by December 15, 2016, more details at <http://www.greatbasinlcc.org/nw-basin-range>

**BBQ, Refreshments and Keynote:** TBA
